

Fair Trade Pledge

The National JPIC Commission of Canada wants your pledge

The Chapter of the National Fraternity of Canada, OFS held at Châteauguay, Québec passed a resolution on 25 May 2012 which asks fraternities to: “**commit, where and when possible, to purchase Fair Trade and organic coffee, tea, chocolate and sugar for all meetings**; and positively encourage the fraternities’ brothers and

sisters to make the same commitment for their own individual use.”

Therefore the Council of the Regional Fraternity of Eastern Canada asks the sisters and brothers to buy Fair Trade products whenever possible.

These products are becoming increasingly available. Store clerks should be able to help you find available Fair Trade products on their store shelves. Fair Trade products certified by Fair Trade Canada can be identified by the logos shown below (on the left the new international logo which is gradually replacing the old Canadian logo on the right).

Make the pledge purchase - **FAIR TRADE**

- to commit, where and when possible
- to purchase Fair Trade
- including organic coffee, tea, chocolate and sugar
- for all meetings
- encourage the fraternities’ brothers and sisters to commit
