Comment: In this chapter nothing springs out to call for a JPIC supplement!

Having said that (!) from *FJ* p222 (2nd paragraph): “This beatitude is an invitation to develop our sense of the presence of God in people whose lives we touch, even if they are far off from God.” What about people far off from us geographically? What about the people in the Global South or Third World as it used to be called? What about Christians in the Middle East?

Did you finish the reflection on the JPIC supplement for Chapter 19? How about revisiting it and thinking about implementing it in your fraternity or somewhere else?
