1.

From FJ p 328: “ Please name at least two important ministries within a local fraternity? Why are they important to you?”

Question: Is JPIC itself, or anything related to JPIC, included? If not, should it be and how would you bring that about?

2.

From FJ p 328: “How has the Stritch University summary of *Franciscan Values* helped you put together the ideas we have shared about the Franciscan vision?”

Refer back to the Chapter 29 JPIC supplement and ask this **Question: “How has Franciscan International’s vision and Thomas Nairn’s summary of Franciscan values helped you put together the ideas we have shared about the Franciscan vision and values?”**
